PROFESSIONAL SUMMARY

Business Information Technology graduate with hands-on experience in IT support, network administration, educational management systems, data management, and technical helpdesk services. Currently serving as an IT & Data Management Professional Intern at the National Examination and School Inspection Authority (NESA), providing ICT support, CAMIS administration, user training, troubleshooting, and systems support across Muhanga District. Experienced in Windows environments, networking, hardware maintenance, technical support, and stakeholder engagement. Cisco Networking Academy certified with strong analytical, communication, customer service, and problem-solving skills. A collaborative team player committed to delivering reliable IT services and continuous improvement.

EDUCATION BACKGROUND

University of Rwanda, Huye campus October 2025

Bachelor of Science with Honours in Business Information Technology (BIT)

WORKING EXPERIENCE

Professional Intern – National Examination and School Inspection Authority (NESA)

2026 – Present (Muhanga District, Rwanda)

- **CAMIS Administration & Support:** Train, guide, and provide technical assistance to all school administrators and teachers across the Muhanga District on navigating the Comprehensive Assessment Management Information System (CAMIS).
- **Data Entry & Analytic's :** Directly oversee and support institutions to accurately input student assessment marks, monitor progress metrics, and troubleshoot data errors to systematically generate reliable student report cards.

- **NESA Online Portal Operations:** Manage and process public inquiries on the NESA Online Portal, effectively verifying, resolving, and validating missing or lost national academic credentials and certification documents.
- **Administrative & Exam Support:** Manage, review, and validate teacher requests and official authorization letters required to administer National Examinations, confirming compliance directly within the NESA centralized system.

Data Collector & Enumerator – NISR, MIFOTRA & RISA

December 18, 2025 – January 23, 2026 (Short-term National Project)

- **Target Population & Scope:** Conducted a comprehensive labor force and employment census targeting citizens aged 15 to 60 across multiple regions, including Rusizi, Butare, and Rwambogo.
- **Data Collection & Classification:** Administered detailed surveys to identify, categorize, and track active labor, fully employed individuals, underemployed individuals, and the unemployed population within the target age bracket.
- **Strategic National Objective:** Actively contributed to a high-priority national initiative aimed at mapping out human resource capabilities and evaluating regional workforce potential to facilitate strategic job creation and sustainable employment opportunities.
- **System Integration:** Utilized the digital **INGAZI system** to securely upload, clean, and validate field data, ensuring high data accuracy and zero discrepancies for national socio-economic planning.

Academic Intern – Ministry in Charge of Emergency Management (MINEMA)

2025 (IT Unit)

- Provided comprehensive technical helpdesk support, network troubleshooting, and routine server/hardware maintenance.
- Assisted in maintaining robust, highly reliable ICT operations and communication infrastructure for emergency response teams.

TECHNICAL SKILLS & CERTIFICATIONS

- **Data Systems & Tools:** CAMIS, NESA Online Portal, INGAZI System, KoboCollect, ODK, Advanced Excel (Data Cleaning, Filtering, VLOOKUP, Pivot Tables), Data Entry Auditing.

- **ICT & Networking:** Network Configuration, Hardware Troubleshooting, Wireless Technologies, Computer Maintenance.
- **Certifications:** Cisco Networking Academy Certificate (2026), Digital Talent Program (DTP) — Advanced (2025), Digital Opportunity Trust (DOT) Climate Leadership (2025).
